## Chapter Concern Form

We would like to strongly encourage chapters to submit their concerns well in advance of meetings so we can submit them to the appropriate committee or body within ASC.

Please use the form below to explain your chapter's concern and send or fax it to the ASC-CA State Office no later than two weeks prior to the next TEAM Weekend so it can be properly routed. In order for your concern to be addressed you must also provide a suggested solution in order to facilitate a productive discussion.
