Heartland Payroll Services

For any business, managing payroll can be complicated and time consuming. At Heartland, we take your challenging payroll needs and handle them for you with quality and performance you expect and deserve — *accurately and on time.*

What sets us apart from the competition is simple: We understand that businesses have unique payroll requirements such as handling multiple pay rates, special day overtime, tips and employee turnover. We keep up with all requirements, regulations and penalty resolutions so you don't have to.

To learn how to get an additional 10% savings on your 2009 weekly/semi monthly payroll processing please call Ted Widing at (408) 661-6435 or Frank Cresci at (408) 712-5568. Also we may be contacted via email at ted.widing@e-hps.com or frank.cresci@e-hps.com
