

John Eppstein

Chapter 24 – San Diego
John's Automotive Care
6267 Riverdale Street
San Diego, CA 92120

I am the owner of John's Automotive Care, in business since 1998. The business is a complete general automotive repair and a smog test station. John's Automotive Care has been relocated twice; the last move was in 2003.

I have been in the automotive industry since 1985. I have a 2½-year old son. I am the Immediate Past President of the B & G Clubs of East County where I've worked since 1996. I am also a member of my local NAPA BOG group.

I have been a member of Chapter 24 for over 12 years during which time I have served as secretary, vice president and chair of the Meetings Committee. Currently I am a member of the Meetings Committee. I am also currently an ASC Educational Foundation Cars for Careers donation site for San Diego, CA.

My desire is to improve my industry and help everyone that is involved. Membership growth is very important as we have a louder voice with larger numbers and this will also help in other areas of importance such as government relations. Promoting our industry to those who are not already in it is crucial such as to students and people who are competent but have no experience in this field.
