

Tracy Renée has been in the automotive industry for over 30 years. She founded Gene's Auto Repair in 1994 which serves the communities throughout Napa and Solano County.

In 1996 Tracy joined ASCCA. Through her dedication to industry she immediately became an active leader in her local chapter. Recognized among her peers as a leader in her chapter, Tracy was appointed to serve on the ASCCA Board of Directors in April 2008. She has served on multiple committees including Membership, as Chair of Endorsements, and Co-Chair for the Government Affairs Committee. In 2011 Tracy was elected to serve as First Vice President.

In addition to Tracy's active involvement in ASCCA she serves in Napa County as Co-Chair for the NBRID Transition Committee and a member of ASA, CSSARA, AAIA, iATN, National Pronto Association, NFIB, ABWA, and two Chambers of Commerce.

Tracy completed a two year business program through the University of Phoenix. She is an ESI certified service advisor and is AMI accredited in several areas dealing with automotive management. Her passion is family, community and industry. Tracy resides in Napa County with her loving husband, Alan. She is a mother of five and proud grandmother of three.
