SACRAMENTO – The Automotive Service Councils of California is proud to announce its most recent corporate partnership with Mudlick Marketing, a Multi-Channel Marketing Platform where clients have access to powerful direct mail and digital services to help grow their business.

“Mudlick Marketing is proud to partner with the ASCCA and support the organization’s efforts to provide vital resources to California’s automotive repair industry,” said Tim Ross, Mudlick Marketing CEO. “Through its work, the ASCCA ensures that automotive repair professionals are well-represented, well-educated and well-informed.”

They offer in-house financing, weekly flex pay and flex mail programs, making them affordable for all their customers. At Mudlick Marketing, they craft all direct mail campaigns based on data and your business needs.

“If you’re looking to increase your car count, brand awareness, and business goals, Mudlick Marketing can help you through their cost-effective direct mail marketing strategies,” said Todd Westerlund, Chair, ASCCA Revenue and Benefits Committee. “With their automotive repair marketing experts, you can discover new ways to reach your customer base and ensure your direct mail campaigns are successful.”
