## Annual Toys for Tots Collection

### *How are you involved?*

With our clients, we host annual Toys for Tots collections at local bars and pubs. The fee to attend is a new, unwrapped gift valued at \$15 or more. 2020 will mark twenty years of supporting!

### *Why are you involved?*

Many children are forgotten around

the holidays, whether due to their family situation, being in the foster system, or a myriad of other reasons. By supporting the Marines in their efforts, we can help ensure no child is forgotten.

### *How can others can get involved?*

Visit the website for detailed information.
