Automotive Service Councils of California Announces Corporate Partnership with 360 Payments

ASCCA announces a new member benefit for members with 360 Payments, one of the leading payment solution providers for the automotive industry.

SACRAMENTO, Calif. – The Automotive Service Councils of California ([ASCCA](http://www.ascca.com)) is proud to announce a new corporate partnership with [360 Payments](http://www.360payments.com). 360 Payments is a payment solution designed specifically for automotive repair shops. With industry-leading customer service, you also get access to revolutionary features such as Text-to-Pay and Integrated Consumer Financing. By offering seamless integrations for your customers, you can create a better customer relationship, offer more financing opportunities, and increase your average repair order.

Here are just a few benefits of working with 360 Payments:

- Industry-leading customer service and support
- Integrated with dozens of leading SMS and DVI solutions, including Shop-Ware, Protractor, Shop Boss, Tekmetric, AutoServe1, NAPA TRACS and more
- Integrated consumer financing options - empower your customers to get repairs made now and pay later
- Eliminate the payment conversation during vehicle pick-up with Text-to-Pay. Keep up with the dealerships and stay ahead of the competition.
- No contracts, no junk fees, and no leased terminals

Find out more with this special offer - 360 Payments will give you a \$50 gift card for getting a quote from one of their skilled representatives. If you decide to use 360 Payments, they are offering an additional \$150 statement credit after your first month (Must be processing at least \$20K/mo to qualify). This promotion ends August 31st so reach out to them asap!

Click here to take advantage of this offer today.
