## Automotive Service Councils of California Announces Corporate Partnership with Shop Boss Shop Management System.

### ***ASCCA announces a new member benefit for members with Shop Boss Shop Management!!***

SACRAMENTO, Calif. – The Automotive Service Councils of California is proud to announce a new corporate partnership with Shop Boss Shop Management. Shop Boss is a leading shop management software for independent auto repair shops. Meticulously designed by a former shop owner, the functions of this auto repair shop software facilitate smooth day-to-day operations for shop owners and technicians. Integrated features such as an auto repair labor guide, estimating, parts ordering, markup calculator, and customer self-check-in are essential to running a successful shop in the modern age.

“It’s a real privilege to work with Mike Delacruz and Shop Boss Shop Management. Having worked with Mike for many years, I am confident in the value and trust he and Shop Boss will bring to ASCCA and its members”, says John Eppstein, a past President of ASCCA.

With Shop Boss, these cutting-edge features and more all live in one convenient, web-based application for your team to access anytime, anywhere, on any WiFi-capable device.

Here are just a few benefits of working with Shop Boss Shop Management:

- FULL MOTOR Repair Guide with Labor Times built-in
- Built-in Digital Vehicle Inspection
- Integrated Parts Ordering
- Credit Card Processing
- Business Intelligence Dashboard with detailed KPI's.
