### **ASCCA Proudly Announces New Corporate Sponsor Aflac**

**Sacramento, CA, March 7, 2012:** The Automotive Service Councils of California (ASCCA), the pre-eminent state trade association for the independent automotive repair industry in California, is proud to announce its most recent corporate sponsor, Aflac.

For more than 50 years, Aflac products have given policyholders the opportunity to direct cash where it is needed most when a life-interrupting medical event causes financial challenges. Aflac is the number one provider of guaranteed-renewable insurance in the United States. Aflac's insurance products provide protection to more than 40 million people worldwide.

Aflac looks forward to working together with Armstrong & Associates to assist ASCCA members with their voluntary insurance solutions. Benefits to ASCCA members include:

- Enhanced benefit packages without any direct cost to their company. Products such as accident, disability, cancer, hospital, etc.
- Help improving employee morale and retention.
- Achieve FICA savings and reduction in workers' compensation costs.
- Pay directly to policy holders in time of need.
- Aflac policies are affordable, portable and renewable at the same group rate.
- Aflac products provide peace of mind, knowing cash is there in time of sickness or injury.
