ASCCA/ASE Top Tech Award Winner Recognized

Sacramento, CA – December 13, 2011 – ASCCA is pleased to announce Patrick Nicoll, of Pat's Automotive in Santa Maria, CA as an ASE Top Tech Award winner. Patrick was one of forty automotive professionals recognized on November 16, 2011 at the Fall board meeting of the National Institute for Automotive Service Excellence (ASE) held at the Marriott City Center in Charlotte, NC. The annual awards banquet spotlights top scorers on the ASE Certification Tests. Thirty companies from both OEM and Aftermarket segments sponsor the individual technician recognition awards. In addition to top scores on ASE tests, award sponsors examine on-the-job excellence, community service and other factors when selecting honorees.

Congratulations to Patrick for his recognition as ASCCA/ASE Master Automobile Technician of the Year!
